Ms. Somerville,

I am trying to track down a copy of the "Charlotte (South Carolina Portion) insignificance determination for the 8-hour ozone reasonable further progress plan for VOC for the South Carolina portion of the bi-state Charlotte 8-Hour Ozone Area," to help with our preparation of comments on the recently submitted North Carolina portion of the Charlotte Reasonable Further

Progress SIP. Could you send me a copy an electronic copy of the narrative associated with the South Carolina document?

Thank you,
